# SASKATOON'S NEWEST WAY TO BE WED!

Do you want to be married but you are concerned about the planning, the cost and/or the potential stress of a traditional wedding? Have you always loved the idea of eloping but aren't sure how to organize all the details? Do you wish you could get married in an intimate setting with just your closest family and friends?

With a Pop-Up Wedding, you can have an amazing intimate celebration without any of the hassle, at a fraction of the cost and without sacrificing any of the magic or romance of entering a lifelong partnership with your one true love.

## HOW IT WORKS

For one weekend only, up to 3 couples per day enjoy a unique experience, provided by top wedding professionals in Saskatoon. Instead of paying for the approximate \$50,000+ worth of expenses of a traditional wedding, you can split the cost of the best photography, florals, planner, officiant, musician, etc. with other couples, minimizing the cost and the waste.

## OUR POP-UP WEDDING PACKAGE INCLUDES:

- A beautifully designed space including all decor & floral installations
- Access to guidance and consultation from 2 of Saskatoon's top wedding planners
- An officiant
- Digital invitation to send electronically to guests
- Personalized ceremony music and background cocktail music
- Beautiful fresh personal florals for the couple
- Full grazing table and sparkling wine for up to 50 persons (48 guests + the happy couple)
- 3 hours in the space with your guests
- Cash bar option

## FREQUENTLY ASKED QUESTIONS:

1) Can we bring more than 48 guests?

With the standard package, couples need to bring two witnesses and can have up to a total of 50 people (including the couple) present. Couples have the option to add 5 additional guests for \$250.00, up to a maximum of 75 people.

Children under 2 are not included in this count.

2) What would the “day” look like?

Our vision is to curate an enchanting and romantic experience in a private space for two people to join their lives together.

There will be a ~20 min ceremony followed by a ~120 min “reception” before being whisked off for formal photos. The reception is an elevated cocktail hour that allows you to visit with your guests and be present

Each package includes 1.5 hours of photography coverage which breaks out in the following way:

Ceremony - 20 mins

Cocktail reception - 40 mins

Formals as a couple after - 30 mins

3) What would we need to do/bring?

Aside from inviting your closest people and selecting the perfect outfit and getting ready for the big day (e.g.: hair and makeup), you will need to bring a SK Marriage License. Our expert team will take care of the rest!

## THE FINE PRINT

As wedding pros in our industry, we have built this package to be easy, affordable and sustainable so our couples can truly enjoy and connect to the experience. The way we can do this is by offering a day of elopements where our couples share in the expenses.

For this reason, and in order to create a design that we believe you deserve, we require a minimum of 3 couples to book each of our elopement dates. If for some reason your date doesn't get 3 bookings, we can either offer you the option to re-book to an alternative scheduled 2024 pop-up date, or increase your cost by \$250.00 (if 2 couples book) OR \$500.00 (if you are the only couple to book) to allow for the wow factor you deserve on your wedding day.

## READY TO BOOK?!?

We are excited to meet you and learn more about your love story!

To reserve your spot, please email [info@bricklofteventco.ca](mailto:info@bricklofteventco.ca)

The next step is to confirm your booking with the signing of our standard Pop-Up Wedding agreement along with a 50% deposit. From there, we would schedule you in for a video chat with our wedding planners, Crystal and Karly, so they can get to know you and find out what is important to you for your ceremony.
